

# I. Grande Salle de Spectacle a Bordeaux (Métropole Arena)

---

## FRANCE

PROJECT INFORMATION

---

**PROJECT**

Grande Salle de Spectacle in Bordeaux (Métropole Arena) will be constructed on the right bank of the Garonne.

The new theater, which can accommodate approx 10,000 spectators, will be developed on the perimeter of the ZAC (zones d'aménagement concerté) of Quays a Floirac.

The arena will be able to host big concert in France as well as sport events
